## Burial Vaults Full Size and Cremations

Cemetery regulations require the use of an approved burial vault for all interments including cremations. Some examples of approved cremation vaults are Crowne Regent, Batesville Pebblecove, or Wilbert Universal Urn/Vault. Call us at 231-347-6531 if you wish to use some other vault. The top of cremation vault must be 100 square inches or larger.

## Burial Authorization Form

Cemetery regulations require a signed Burial Authorization Form before opening a grave.

- This form must be signed by the lot owner, an heir of the lot owner, or someone designated in writing by one of the above with the authority to give authorization for burial.
- When it is impossible for a visit to the Cemetery Office, authorization must be given by mail, email, or fax within the designated time. (Authorization by phone is not acceptable)
- The Burial Authorization Form must be signed and in our possession a minimum of two (2) working days prior to the scheduled burial.
- Payment in full must be received two (2) working days prior to the scheduled burial. This may be paid by credit card, cash or check or may be guaranteed by the attending Funeral Director and delivered prior to the interment.
- The "On-Time Deposit," if applicable, must be paid two (2) working days prior to the scheduled burial. It will be returned if the mourners assemble for the ceremony within 10 minutes of the scheduled time.

## Winter Burials

Burials will be made throughout the winter except on Sundays or when weather conditions make the interment process unsafe. Burials are made in the winter at the discretion of the Superintendent. A procession during the winter will be \$350 above the normal charges. A "procession" includes one or more persons other than funeral home personnel.

## Baby Section

Only flush markers are allowed. Greenwood Cemetery will supply one temporary grave marker which remains the property of the cemetery. Family may plant flowers only, no shrubbery.

## History Books

Most years, Greenwood Cemetery offers various tours of the grounds and rich history of the people of Petoskey who have come before us and have helped to make it what it is today.

These stories are written and designed in a thermal-bound book. You may get a copy at our office as they are available. Follow us on social media or sign up for our newsletter at [www.gwood.us](http://www.gwood.us) to stay in the loop on future tours and other events.
